While stitching this drawn thread sampler you will be reminded of the soft pastel colors of a desert morning. This workshop is an exploration of drawn, with-drawn and interlacing stitches, as well as counted thread stitches, pulled thread stitches and composite needlepoint stitches. The class sample is stitched on eggshell congress cloth but if so desired, you may chose to work on 28 count linen. The design size is approximately 7" by 9". The kit includes all threads, ground fabric, ribbon, needles and stitch guide. Prestitching recommended. Ghost stitchers are permitted.

Registration Deadline is December 12, 2015

Name _____

Address _____

Phone _____ **Email** _____ **EGA #** _____
