

# Veteran's Day Weekend in San Diego

with Lorna Bateman

Presented by Muchas Manos de San Diego, EGA

Lorna is an experienced, passionate, needlework teacher. Originally from South Africa, she has resided in the United Kingdom since 1999. Her teaching has taken her throughout the United Kingdom, South Africa, France, Russia, and all over the United States.

She specializes in various forms of 3-dimensional and textural hand embroidery, and has been designing her own line of kits for the past 17 years. Lorna has completed the writing of her new book, *Embroidered Country Gardens*, published by Search Press, May 2019.

Saturday, November 9, 2019  
Sunday, November 10, 2019  
2-Day Workshop

Technique:  
Surface Embroidery

Skill Level:  
Beginner—Intermediate

Design Size:  
Embroidery 3.5" x 2"

Finished 5" x 3"

## English Country Gardens Scissorkeeper

This design introduces raised and textured embroidery stitches to the beginner or alternatively, gives the more experienced stitcher room to stretch their skills.

Kit will include both fabric and backing for both project and doodle cloth that will need to be basted together per instructions prior to class.

Kit will also include Italian stork or similar scissors, pearl cotton, stranded cottons, Madeira Metallic thread, Crewel and Milliner's needles. Finishing materials will be provided.

Monday, November 11, 2019

1-Day Workshop

Lavender and Bees  
Pincushion

Technique:  
Surface Embroidery

Skill Level:  
Beginner—Intermediate

Design Size 3.25"  
Diameter

## Lavender and Bees Pincushion

This project was designed specifically with the beginner in mind in order to perfect the bullion stitch, using pearl thread and stranded cotton.

Kit will include both fabric and backing for both project and doodle cloth that will need to be basted together per instructions prior to class.

Kit will also include pearl cotton, stranded cottons, Madeira Metallic thread, Crewel and Milliner's needles. Finishing materials will be provided along with the 3.25" pincushion base.
